
TECHNICAL

A.VONTURA AND THE T.Y.M.E MACHINE

Daniel brings all the technical equipment

- **Duration show:** approximately 30 minutes
- **Producer:** A.vontura Silent Disco Theatre
- **Contact:** Daniel van den Broeke
- **Telephone / whatsapp:** +31624273647
- **Mail:** silentdiscotheater@gmail.com
- **Actor:** Daniel van den Broeke
- **Agency:** www.vanaf2.com
info@vanaf2.nl
- **Arrival:** 1.5 to 1 hour before the first show
- **Building time:** 30 minutes. **Breaking time:** 15 minutes.
- **Performance space:** Preferably the space is at least 6 meters wide and 6 meters deep, but this also depends on the number of participants. In principle, no chairs are needed; everyone participates on the floor.
- **Transport:** Parking space for 1 car. In some cases, Daniel comes by train. (or by plane ;-)
- **What will Daniel bring:** Silent Disco headphones and corresponding technology.
- **What Daniel needs:** One or more large tables for the headphones and the technology, and a power outlet near the table.
- **Light:** In the theatre, a simple overall light, but it can also work fine with existing lighting of a gym, library, or in daylight outside.
- **Note:** When multiple silent disco activities take place from various parties, coordination of the frequencies is necessary. In that case, please contact Daniel in a timely manner. Consideration must also be given to loud sound sources, such as a music concert nearby. In case of rain, it is important that the performance can take place at a covered location.
